After check-in head out for the best overview of Jasper and the area you'll get a taste of over the next days. As you savor the view snack on a sample of Alberta local charcuterie.

**Day 2: FULL DAY JASPER** - Start the day with an invigorating hike as your guide takes you high up into the alpine for a seven-kilometer round trip up above the tree-line with views of glaciers, mountain peaks and blue water lakes. This afternoon a food tour of Jasper takes you to four different local restaurants for handpicked dishes, each paired with a drink and the area's stories and tales along the way. After this multi-course dinner your guide takes you up Maligne Lake road for sightseeing, capped off with sunset at the shore of Maligne Lake and the backdrop of snow-covered peaks.

**Day 3: JASPER TO EDMONTON**- Breakfast in style at the Fairmont Jasper Park Lodge overlooking Lac Beauvert. Then head east past Pocahontas up to the Miette Hot Springs. Starting on the trail next to the pool, the guide takes you on the four-kilometer hike up to the summit of Sulphur Skyline. The reward for your peak experience is the spectacular panoramic view of the surrounding mountains. To end the mountain getaway you stop at a local craft beer brewery for a farewell drink. Arrival in Edmonton is approximately at 8:00 pm (breakfast and craft beer tasting included).
